See attached file. I also did a USENET search on the poster (dr7\_al@my-deja.com) at [www.deja.com](http://www.deja.com) and came up with a couple of hits that returned the same thing (see below). As a bonus, you get the full USENET header, including the IP address from which he posted (209.91.172.154). That currently resolves to Ontario, Canada: [bar-tcsl.vianet.on.ca](http://bar-tcsl.vianet.on.ca)
