 <Arti> yey
 <Arti> fuckin smokin night man!
 <Traun> hello
 <Traun> thats what I hear
 <Arti> they lit up the air waves again finally!
 <Arti> totally kewl
 <Traun> what got hit
 <Arti> i am not sure
 <Arti> jd i know
 <Arti> dr7s cam is out
 <Traun> one of his versions he stold from a guy in Edmonion with your TZ fix in it
 <Arti> i dunno
 <Arti> probably
 <Arti> i dunno
 <Traun> DR7 knows the guy
 <Arti> is' yours up
 <Traun> yep
 <Arti> kewl
 <Traun> hows the Echo thing going? heard you got the eeprom... I have Rom now...he
 said it was pretty easy
 <Arti> i am not doing anything on echo
 <Traun> Jerry is the guys name in Edmonton
 <Arti> and he stole my code?
 <Arti> dude
 <Arti> do you have one i can see dump from?
 <Traun> sure
 <Traun> its on laptop
 <Traun> I think he just stold TZ
 <Arti> i would love to see it
 <Traun> the updates and eveything are all fukdup on it
 <Arti> i only have eeprom from dr's site also
 <Arti> i would love to see this code man
 <Arti> see what he took
 <Arti> etc
 <Arti> is he still up?
 <Traun> well I gues I can have them stop dumping card now that someone was kind
 enough to let eeprom on net ...lol
 <Traun> he is down
 <Arti> lol
 <Arti> yeah
 <Arti> pgm could be behind this?
 <Arti> eeprom is hardest thing to dump
 <Traun> well I guess I'm in business
 <Arti> yup
 <Traun> only took week to get Rom
 <Arti> how much did the rom cost you?
 <Arti> one week huh?
 <Arti> hmm
 <Arti> you wouldn't be telling lies now would you to excite me?
 <Traun> have not talked that yet as he was to dump total card with opcodes etc.
 <Arti> show me some opcodes mang
 <Traun> why would I do that
 <Arti> I can tell you if its really good
 <Traun> I know your the guy with the eeprom :)
 <Arti> no you dont
 <Traun> he says its good so I have to believe him
 <Arti> well yes
 <Arti> I do have it now
 <Arti> thanks to dr 7
 <Traun> heheh
 <Traun> yea yea
 <Arti> serious

Arti

<Arti> show me some rom dude :)
<Arti> let 3 bytes
<Arti> please
<Arti> pretty please
<Arti> this one could be the biggest brain teaser for normie he has ever scene
<Arti> let me guess
<Arti> you dont have rom yet
<Arti> dude
<Arti> you know how hard this processor is to dump??
<Arti> even the kraute went sour trying to extract!
<Arti> i wish I had more from it!
<Arti> whoever pulled whatever is good let me tell you!
<Traun> I made a serious pledge to myself that I would be very careful who I gave any of this to...EVEN TO LOOK AT...since I don't understand code..I don't know what I'm giving away...so I will wait till I have an engineer nailed down first
<Traun> Oliver also has Rom
<Arti> ah
<Arti> but no eeprom?
<Arti> well technically eeprom is the hardest to dump
<Traun> well now he has eeprom
<Arti> ahhh
<Arti> if that was for reall
<Arti> if that was for real
<Arti> it looks alittle bogus
<Arti> but i still grabbed it
<Arti> show me 10 bytes mang
<Arti> cant hurt anything
<Arti> you're not stupid
<Arti> or else your lying to me <again>
<Traun> I can't till I know what I'm showing you...I can't trust you anymore
<Arti> oh fuck you then
<Traun> again...fuck you
<Arti> you're a fucking ass to me
<Arti> always were
<Traun> what ever
<Arti> fucking lying and knowing how to talk to me to get me to believe you
<Arti> well now i dont
<Arti> you're not stupidf
<Traun> the only guy that made you any cash
<Arti> you know damn stinking well 10 bytes is nothing
<Traun> where is the rest of the heros
<Arti> i made 10% of your pull
<Arti> you netted the 90%
<Traun> BULLSHIT
<Arti> i never collected shit from you
<Arti> it was from your 'friends'
<Arti> i never asked either
<Traun> only 60,000
<Arti> not from you!
<Traun> think I mae 600,000
<Arti> from JD mostly
<Traun> think about it
<Arti> Grrrr
<Arti> dude
<Arti> I wont argue about it
<Arti> i feel i was done wrong and i trusted you explicately
<Arti> it cost me alot of time, troubles, and worries
<Arti> now i am trying to be worriefree
<Traun> well no shit JD...but who introduced you to JD and his cards...where doi you think JD got his cards from
<Arti> i know
<Arti> if jd is selling
<Arti> jd paid

Arti

<Arti> if rs sold
<Arti> rs kept it
<Arti> till ct complained
<Traun> rs sold what
<Arti> batts with v3 inside
<Arti> etc
<Arti> whjatever
<Arti> go hug your new programmer "
<Arti> little chris called
<Arti> me
<Arti> asking for rom too
<Arti> he just wants something
<Arti> all you guys want from me is shit
<Arti> never want to return anything
<Traun> yes I did redue cards and neve charged and never paid...that was the
deal..you even said ..you didn't want money from my cards
<Arti> that s what you always told me. your people say different though
<Arti> even jd wont answer if he thinks you scammed me!
<Arti> whats that tell you!!!
<Arti> hey
<Arti> do you have any E* cards at home?
<Traun> well I paid you 14,000 cdn for a programmer that I might have programmed 150
NEW cards from and it doesn't work...who fucked who
<Arti> looking for canadian e*
<Arti> Bullshit!
<Traun> 100 Echo cards
<Arti> you fucking ccracked the dungle and went to town!
<Traun> Bullshit...find me more than 150 cards
<Arti> in fact so much they killed the shit
<Traun> lol
<Arti> lol?
<Arti> ron
<Traun> cracked shit
<Arti> i am sad
<Arti> you read it
<Arti> sorry
<Traun> so am I
<Arti> read it
<Arti> reprogrammed it
<Arti> maybe you sold dungles?
<Arti> i dunno
<Arti> you sell everything
<Traun> you are listening to rumours of someone that has no clue
<Traun> they dumped your card and resold
<Arti> i listen to my friends who know your friends
<Traun> like Jerry from Edmonton
<Arti> like dr7
<Arti> i dont know jerry
<Arti> honest
<Arti> dr7 hates this guy
<Arti> your the 2nd to speak of this shithead
<Arti> we were fucking with him tonight
<Traun> DR7 can prove that I sold more than 150 cards I will eat shit publicly on
the net
<Arti> he was ehre as 'euroguy"
<Arti> hrehe
<Arti> k
<Traun> thats him
<Arti> now show me 10 bytes or you're lying and the rom lands on the net in the
morning
<Arti> :}
<Traun> tell DR7 to show me the proof...no rumour..solid proof
<Traun> whatever you want to do :)

Arti

<Arti> hehe
<Arti> i ma fucking with ya now
<Arti> anyhow
<Arti> i see
<Arti> take care
<Traun> only Eddie puts things on net
<Arti> if you ever want to share a few bytes, let me know
<Arti> someone is putting shit out
<Arti> the logger thingy
<Arti> how can you tell oli pulled rom?
<Traun> remember tell DR7 ... show me the proof
<Arti> maybe he'll send me?
<Arti> i will write him
<Traun> maybe ...heheh
<Arti> hey
<Arti> maybe he put out that eeprom?
<Arti> the eeprom is empty thogu
<Traun> maybe :)
<Arti> k
<Arti> later
<Traun> really man...
<Arti> what
<Arti> i am surprised you never phone
<Arti> actually
<Arti> k
<Arti> later
<Traun> you are taking all this shit your saying about me from DR7...I bet you the
ROM ..he has to eat his words...we'll see who is full of shit
<Traun> I tried to phone ..but you never answer
<Arti> i answer
<Arti> if i am home
<Arti> i am heding out to BE next week
<Traun> I tried at the least 20 times...its on your answer machine
<Traun> BE?
<Arti> ?
<Arti> belgium
<Traun> ah
<Traun> visit
<Arti> come to europe
<Arti> hehe
<Arti> meet you in brussels for lunch
<Arti> hehe
<Traun> actually I think I will be in NS...doing 00 cards
<Arti> ahh
<Arti> you can fix them now?
<Traun> he found factory reset
<Arti> I just finally got some donated from Zoraq
<Arti> who
<Traun> Pman
<Arti> ah
<Arti> kewl
<Arti> i want to also
<Arti> how come you didnt have p do e*?
<Traun> he can read or write anything...even Normie's almighty ring of steel ...
hehehe
<Arti> hehe
<Arti> kewl
<Arti> now we need a lockdown
<Arti> and you rule once more
<Traun> he has legal problems and no computer back yet...no equipment..I was amazed
he finished 00
<Arti> now adays 'west 3m' is jd
<Arti> thats why people are asking you questions
