The following message, which was posted on the "connecto"
(http://www.dishplex.com) forum:
(http://www.dishplex.com/ubb/Forum4/HTML/000003.html) appears to be some kind of code
(keys?). The list seems to describe the various Nagra systems including a system entitled
'Spain'.

Nagra provides CA in the Americas for: Dish network (Echostar), Expressvu, and Skyvista,
and in Spain for ViaDigital.
