Subject: Hitec Web Site

Hi Alan!

I was looking at some web sites tonight and noted the following at Hitecsat -
<http://www.hitecsat.com/rant.htm>

The site is run by a guy named Shawn Quinn in British Columbia. Quinn makes reference to a guy using the nickname Stoxx who is the principal (ISP?) behind canucknet.com. Stoxx is actually a Canadian stockbroker named Ed Bruce in British Columbia. Stoxx is also believed to be behind Dave Dawson and is apparently active with one of the Harley Davidson motorcycle clubs in Canada.

The post discusses your technology... you should visit it or direct one of your staff to the site.

Regards,

John
