Dish Network Team,

Just a note to tell you how much your recent deliverables are worth to our company.

I realize there was a huge amount of effort, teamwork, design, and testing that was
needed for your recent efforts to combat piracy and drive signal security for Dish
Network.

I greatly appreciate all your hard work and dedication and commend your recent advances.

KEEP UP THE FIGHT
Thanks again,
(Alan, please make sure the proper Nagra and NagraStar people get
