This Blanket Purchase Order covers Dish 103 swap cards convertible to any and or all future revisions as directed by EchoStar. ST chips will only be ordered with prior written approval by EchoStar.

This Blanket Purchase order is issued to cover the Q1 - Q2 2004 Model 721 field swap. EchoStar may, week to week, specify in shipping releases to be furnished to Nagrastar, deliveries to be made only in the quantities, locations, and times specified in such releases. All documentation must reference an EchoStar Purchase Order and Release number for payment.

If the Aladin smartcard security is compromised in any way prior to completion of the Aladin swapout, EchoStar reserves the right to cancel any and all Purchase Orders and Releases related to the Aladin swapout
